# QY700

## **Extra style data**

Yamaha QY700 owners will be pleased to learn of the recent release of 2 new pattern disks for their sequencer.

By taking the innovative style data from the new QY70 portable sequencer a new collection of patterns have been created.

The 2 new disks have been arranged into convenient groups for fast loading under the 'Load All' command from the QY700. The groups are as follows.

1. Dance
2. Rock
3. Pop
4. R&B / Country
5. Jazz / Latin
6. Reggae / World

These new pattern disks are available free of charge to QY700 owners through either QY700 dealers, through the Yamaha brochure line (01908 369269) or on-line from the Yamaha UK web site at <http://www.yamaha.co.uk>
